

SPIRIT**CE850+**

The CE850+ adjustable stride Elliptical Trainer combines our robust and compact front-drive elliptical design with the ability to customize your ideal stride motion from 457-610mm. Our narrow pedal spacing (Q-Factor), large cushioned pedals, and ability to simulate a walk/jog/run through electronically adjustable stride adjustment combine to give you the ultimate cardio workout for your users.

FEATURES:

- Electronically adjustable stride length from 457-610mm.
- Multi-position hand grips with remote resistance and stride controls.
- 20 levels of resistance to satisfy the needs of beginners or advanced exercisers.
- Dual track with shielded concave roller wheel system for superior stability and durability.
